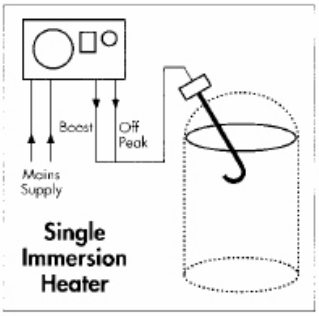
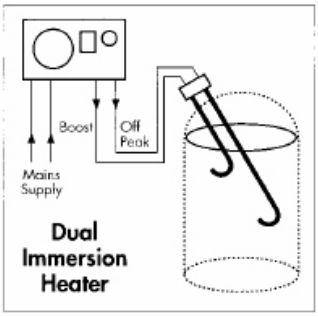
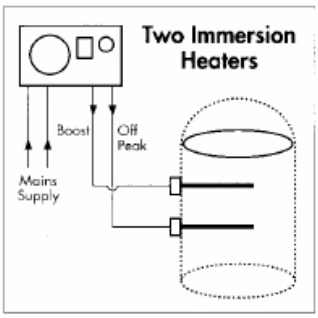
Ecosave Economy Seven Timeswitch

SPECIFICATION SHEET







ECOsave Economy 7 Hot Water Controller

PRODUCT/ORDER CODE

ECOSAVE	single channel + boost	13 Amps

This product is a quartz-regulated timer, with internal rechargeable battery giving running reserve for 72 hours. Output circuits can be single, dual or double immersion heater loads. The timer will control a 24 hour cycle, in 15 minute increments. A separate boost control gives an optional 15, 30, 60 or 120 minute self-resetting output without disrupting the programmed sequence.

Technical specification:

Resistive load	Suitable for immersion heaters up to 3 kW - 13A 230v AC
Connection	Rewirable base screw type terminals
Ambient temperature	-10^{0}C to +35^{0}C
Accuracy	Quartz regulated ± 2.5 sec / day @ 20^{0}C
Minimum switching time	15 minutes
Protection	IP20
Dimensions	86 x 155 x 55 mm
Disconnection	Double-pole isolator switch

Product features:

Boost function	Selectable 15, 30, 60 or 120 minute boost output.
Off-peak settings	Installer set. Tamper-proof cover on dial.
Visual indication	Neon indicators for timed and boost functions.
