

Programmable Room Thermostat
ET2
ET2 heat/cool 5+1+1 day room thermostat (battery operated)

Specifications:

Type:	Digital volt free 24/240v 5/3.5 Amp
Dimensions :	80 x 80 x 27mm
Mounting:	Universal UK/European back plate fixings
Program:	5+1+1 (Mon-Fri, Sat, Sun Separate programming) 4 timed periods per day
Display:	Digital set temperature
Output:	SPDT. (Heating/cooling)
Control Range:	5 Deg C to 35 Deg C
Working Temperature:	-10 Deg C to 55 Deg C
Switching Differential:	+/- 0.5 Deg C
Sensing element:	NTC
Colour:	White
Protection Rating:	IP20

- Power supply: 2x AAA batteries
- Permanent actual temperature display
- Heating on indicator
- Low battery indicator
- On/Off Switch
- Override facility
